Mission Statement

The MG Car Club Geelong Inc provides a friendly atmosphere for MG and other sports car enthusiasts to participate in structured motor sport activities together with a range of social events, meetings, technical information and tours in support of our members' interests.

Thank you for your interest in **The MG Car Club Geelong**. Our Club is affiliated with Car Clubs throughout Australia and with the parent club in the U.K. and was formed to give a social, technical and competitive contact with fellow enthusiasts of the Marque. You do not have to own an MG to be a member, just have the desire to meet people interested in the care, maintenance and enjoyment of driving MGs.

Our Club is actively involved in competition events such as Motorkhanas, Hillclimbs, and Sprints etc. We also conduct several social events each year and a monthly Early Morning Run and Mid Week run which provides the perfect excuse to use your MG. We are also involved from time to time in car displays and parades and we regularly participate in the Geelong Gala Day Parade.

The Club meets on the first Tuesday of each month at the Geelong Traffic Safety Centre in Breakwater Road, opposite the Geelong Showgrounds, commencing at 7.30 pm. Guest speakers are frequently present to talk on topics of interest to car enthusiasts. Visitors are always welcome.

A monthly magazine **G-Torque** is distributed to members. It includes details of forthcoming and past events, items for sale and general articles of interest. Member contributions are actively encouraged.

If you have not yet bought an MG, the Club will gladly offer you advice on what you should look for before purchase. The Club has many long serving members with considerable and invaluable experience with MGs.
